

# Preschool Newsletter

February 2019

## This month's activities

Our theme for February will be Friendship! We will continue to emphasize inclusive play, empathy, kindness, and co-operation through stories, songs and puppet play.

On Feb 6th PS1/PS2 will walk to Home & Inn Suites for a tour. We need a parent helper to walk with us at 10:40/2:25.

Our Valentine's Parties will happen on Feb. 13th and 14th. You may choose to send Valentine's. If you or your child sign each, and omit the To: \_\_\_\_\_, it makes it easier to distribute them. There are 16 children total in each class. Due to allergies we prefer you only send Valentine cards, not treats. You can send them to school any day after Feb. 5th.

If you use 2 litre milk cartons, would you rinse them and bring them to preschool? We can use them here! Thank you.

## Reminders

We appreciate you telling us when another parent is picking up your child, however for safety reasons we do need you to add them via email to your authorized pick up list. Thank you.

Thank you for keeping your children home when they are ill, coughing, or have runny noses. When there are sick kids we would like to limit the spread of illness any further. We would appreciate if you could work with your child on independent nose blowing.

We have some small wooden people toys that are missing from the classroom, and wondered if anyone has come across them in their laundry or elsewhere at home!

## Recent Highlights

We had a great time learning about constructing and deconstructing when the Children's Museum came to us!

Thank you to our parent visitors who told us about the RCMP, the mining industry, and being an engineer. We even had a paramedic bring her ambulance! We are looking forward to a visit from a firefighter next week!

Be sure to check out our Facebook page for pictures of these highlights!
