January 2020

This month's activities

This month we will be talking about winter, in particular winter animals and how they manage in the cold. Brrr!

We have field trips planned to the Nutrien Wonderhub. On January 30th PS3 and PS4 will attend in the morning. On January 31st PS1 and PS2 will attend in the morning. There will be no afternoon classes on those days! We are finalizing details, and will email the bus times next week.

We will need three volunteers (with Criminal Record Checks) from each class. You will be in charge of four children while we are there. Your job will be to keep the group together, to encourage discussion, play, and safety. As such, we ask that cell phone use be kept to a minimum. Thanks ☺
