

February 2020

This month's activities

Our theme for this month is Friends. We will talk about empathy, turn taking, and kindness which fit well with Valentine's Day. ☺

We will have a little Valentine's party for each group during their class times on Feb 13th and 14th. You may choose to send Valentine's. If you or your child sign each, and omit the To: _____, it makes it easier to distribute them. There are 16 children total in each class. Due to allergies we prefer you only send Valentine cards, not treats. You can send them to school any day starting Feb. 5th.

We invite you to an optional Parent Drop In Event at the Preschool on February 6th. All teachers will be available from 330-630pm to discuss your child's progress.

Reminders

We would like to thank those who have kept their children home when they are ill ☺ It's hard for the children to participate fully when they aren't feeling 100%. Because young children are still learning proper hygiene techniques illnesses can spread quickly through the preschool.

The children are growing! Now might be a good time to check their winter boots and indoor shoes to see if a new size is needed!

Please check the lost and found box located on top of the lockers. There are lots of goodies in there!

Recent Highlights

We have had a great month talking animals that love winter, such as Arctic Fox, Arctic Hare, Polar Bear, Snowy Owl and the Narwhal. The children have been very engaged in conversations and have asked lots of questions. They were so excited to take home their bird feeders. Have you seen any interesting birds in your yard this winter?
