

**November 2020**

### This month's activities

This month our theme is Down on the Farm. We have some farm toys, puzzles and games to keep us busy. We'll learn about animals and vehicles on the farm, make some crafts, and learn some new songs!

We're hoping to be able to bring in some sensory bins for the children to enjoy! On November 16<sup>th</sup> and 17<sup>th</sup> the children can wear something that is brown in colour. We will be doing some chocolate pudding painting!

### Reminders

We just can't thank you enough for following our safety protocols this year! We appreciate your entering and exiting the building in a timely fashion and your use of masks.

It's been strange not to share some smiles and conversation at the door. 😞 Connecting with parents is very important to us! Do feel free to send an email if there is anything you wish to discuss and one of us can certainly call you back!

It's a strange month with days off so be sure to check the calendar!

### Recent Highlights

We had so much fun learning about Autumn, Thanksgiving and everyone's favourite Halloween ☺ We're sure excited for Costume Day. We learned from a book we read that pumpkins are a fruit that can be blue, red and yellow. The children were so surprised!

Each week we are focusing on a letter of the alphabet. We use our iPad to watch a song showing items to begin with that letter. We usually have a discussion where everyone gets to share ideas about a question concerning the letter of the week.

# NOVEMBER 2020

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
1 Letter H	2	3	4	5	6	7
8 Letter I	9 <b>No Preschool P.D Day</b>	10	11 <b>Remembrance Day No Preschool</b>	12	13	14
