

# CIRCLE DRIVE Preschool

December 2020

## This month's activities

We have lots of fun activities planned for this month while we learn about Christmas! We're sorry we can't have our usual Christmas parties where parents attend but we are going to have kid's parties on December 16<sup>th</sup> and 17<sup>th</sup> (regular class times) Children are invited to wear their pajamas to school for the party! We'll have some treats and watch a movie! (We'll still have our regular snack time so please send snack 😊) Parents watch your email around Dec 15<sup>th</sup> for a Christmas "treat" just for you too!

On December 24<sup>th</sup>, you're invited **Home for Christmas** our online Christmas Eve service beginning at 6pm! The Preschool children will be featured in this family friendly service! We hope you can join us at [live.cdac.ca](http://live.cdac.ca)

## Reminders

Please follow the calendar attached to this newsletter rather than the one you received at the beginning of the school year, as we've had to make some changes. In addition we will email if there are any calendar changes due to COVID protocols. At this point we plan to be back at Preschool after the Christmas Break on Monday January 4<sup>th</sup>.

Thanks so much for your co-operation regarding COVID policies and in particular, mask usage. We have set up a "Mask Break" area near the classroom door so children (one at a time) can remove their mask for a minute if need be. We will evaluate mask use at the Christmas break. We're so proud of how well the children are doing at Preschool this year in spite of COVID!

**Merry Christmas!**

## Recent Highlights

Our farm theme was so much fun! We learned that pigs roll in the mud to cool themselves off. We also learned about some of the crops that are grown right here in Saskatchewan. Ask your child if they can sing the "I'm a little piggy" song for you!

We've really been enjoying the deep snow in the courtyard. You should see how fast the children are at getting those outdoor clothes on! 😊
