

May 2021

### This month's activities

Incredibly we have almost come to the end of a very bizarre school year. We have been honoured to have your children with us this year as we learned and grew together. Thank you for entrusting them to us and for partnering with us in keeping everyone safe.

Our last theme for this year is Spring! We'll be getting our hands dirty with some planting and enjoying some new songs and stories. We hope to have some of our snack times outside!

Our Year End Parties will occur on May 27th and 28th during regular class times. Our tradition was to invite parents and siblings to attend but for this year we'll share lots of pictures and trust you'll see what fun the children had on their last day of classes!

### Recent Highlights

Lots of transportation highlights to share: Some of the children got to see a large truck crane installing an H-Vac unit right near the courtyard!

We enjoyed many books! One favourite was Little Monster Trucks Go! by Doug Cenko. We made planes, trains, and boats, and learned to move our bodies like many vehicles! We enjoyed new verses to the song Row, Row, Row Your Boat! Watch out for that crocodile!

### Update

**GRADUATION CHANGES:** We talked about the best way to enjoy graduation with invited guests and for this year we're sorry we can't go ahead in our traditional way. We'll celebrate at our year end parties and will send home a link to a slideshow you and your child can enjoy together! Please see the calendar for details, and note the changes from what was sent in April.

Happy Mother's Day on May 9<sup>th</sup>  
and Father's Day on June 20<sup>th</sup>!

# MAY 2021

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
25	26	27	28	29	30	1
