

November 2021

### This month's activities

Our theme for November is Outer Space. We have a projector to show the children many images from space such as planets, comets and astronauts! We've borrowed several books from the library and have some fun crafts planned.

We have decided to keep our Field Trips on hold for now. We will revisit this in January in the hopes that we might be able to plan something then. 😊

November 17<sup>th</sup> and 18<sup>th</sup> will be **Yellow Days**. Your child may wear something yellow if they like! Please send something **yellow** for Show & Tell. Show & Tell will happen once a month. It's a great opportunity for your child to speak in front of their peers!

### Recent Highlights

What a busy month October was! We enjoyed making applesauce! We have been working hard on our alphabet sounds and looking at pictures on the iPad to determine which ones start with the letter we're learning about. We're learning some fun Halloween songs (ask your child about the Tip toe, Tip toe song) and are looking forward to our costumes parties!

### Reminders

We wanted to take an opportunity to thank you for partnering with us to keep everyone safe during the pandemic. It feels strange not to see your faces and connect more fully, but please send an email if there is anything you would like to discuss. It's definitely time to send indoor shoes each day. It's getting messy out there with leaves, rain and snow and we'd like to avoid tracking that into the classroom.

It's also time for warm outdoor clothing including mitts and toques! We will go outside up to -22C (including wind chill). We are working on dressing independence and would love if you would encourage your children to dress themselves!

# NOVEMBER 2021

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
