

December 2021

This month's activities

You are invited to our Christmas concerts and parties on Dec 15th and 16th! Please drop your child off at the classroom at their usual class time and find a seat at Common Ground (signs will be posted.) We will join you there to sing some songs, make a Christmas craft, and have a snack! Masks are required unless we are eating. Class time will be a bit shorter with the parties ending at 10:15 and 2:00. We're so grateful to be able to have a Christmas party this year so we thank you for understanding the restrictions we need to follow!

You are invited to some more special holiday activities! Sunday Dec. 19th: A Circle Family Christmas! The service starts at 1030 am with children's programming (enter through Entrance D.) Afterwards in the lobby there will be refreshments, music, and treat bags for the kids!

Dec. 24th: Christmas Eve! The service starts at 6pm and your children are invited to sing on stage with the Circle children! More details will be provided in a separate email.

This & That

A reminder: We will be going outside up to -22c with the wind chill. Please send snow pants, a warm jacket, mitts (much easier to put on than gloves 😊), boots, a toque and a face tube or scarf.

Please continue to send water bottles rather than juice boxes which end up squirted across the room or dumped in the garbage half full.

Our online registration for children returning next September will be sent out to you in early January a week or two before it opens to the general public.

Our best wishes to you and your families this holiday season!

Recent Highlights

What a great time we had learning about Outer Space! The children loved their air powered rockets and alien head bands! We enjoyed looking at pictures from space on our projector and imagining what it would be like if there was no gravity. The children had many insightful questions and comments, some of which had us doing our research to make sure we had our facts right!! Show & Tell continues to be a hit. We enjoyed hearing about the many yellow coloured treasures that showed up at Preschool this month 😊
