WE HAD FUN LEARNING...

HIGHLIGHTS FROM MARCH!

Our Ocean theme was such a big hit this month! The children loved discovering some of the many different types of animals that live in the ocean. There were so many fun crafts, songs and stories too.

Our first field trip was a blast. The children were excited about the artwork they created and LOVED the bus ride! Thank you to our parent volunteers too!

DON'T FORGET!!

A reminder that we try to head outside if the weather is -21 or warmer. As such, please ensure that you send all the correct outdoor wear with your child as rubber boot and splash season will be coming soon!

We still have room in our PS2 and PS4 classes for fall 2025. Please share with any family or friends who may be interested and like our posts and ads on Facebook too.

WHAT'S COMING UP IN APRIL?

We will be spending April learning about Easter and getting excited for Spring! We will have an Easter Party during each classes last day before the break, so if any parents want to send a treat for the classroom please let us know!

We also plan on having another field trip in May, so if any parents are interested in helping please reach out to us for a Criminal Record Check form that needs to be completed and approved in advance.

NOTES

Kids Kapers preschool camp will be happening June 16-20th. It is a fantastic week of camp (1/2 days here at the church) and such a fun way for the children to stay connected with their preschool friends as well as meet new ones!

You can register online at cdac.ca/kids-kapers
