WE HAD FUN LEARNING... HIGHLIGHTS FROM NOVEMBER!

November was a month filled with learning about space and beginning to get excited about Christmas!

The children have continued to work on their name and letter recognition as well as listening skills! You should all be very proud!

WHAT'S COMING UP IN DECEMBER?

You are invited to our Preschool Christmas Concerts on December 19 and 20th! Please drop your child off at the classroom at their usual time and then find a seat in the Chapel (directions will be posted.) We will join you there to sing some songs, play a family game and have some refreshments. Grandparents and other family members are welcome! Class time will be a bit shorter with the parties ending around 10:15am and 2:00pm. Each family is asked to bring one dozen cookies or squares to share at the party. No nuts or nut products please!
