Please send mittens that you can child put on by themselves. We ask you to continue to work on teaching your child how to get ready for the outdoors independently.

WE HAD FUN LEARNING... HIGHLIGHTS FROM DECEMBER!

Wow, December was a fun month! We are so proud of how well the children performed at the Christmas Parties!

The kids were very excited to make Reindeer Food, learn a Christmas Freeze Dance and hear about the very first Christmas!

We would like to take this opportunity to thank everyone for all the cards, gifts and kind Christmas wishes! We hope you enjoyed your special gift your children made!

WHAT'S COMING UP IN JANUARY?

This month we will be learning about winter and transportation! We look forward to learning new facts, answering lots of question and creating some very cool crafts!

We will be having a Pajama Party Day and Show & Tell this month, so make sure to mark those on your calendars! We will be serving popcorn to the children at the pajama party.
