## DON'T FORGET!!

With the change in weather we wanted to remind everyone to please leave outdoor shoes/boots on the black mat! Indoor shoes can be left at school at the bottom of your child's locker.

It's also about time for warm outdoor clothing including ski pants, mitts and toques! We will go outside up to -22C (including wind chill). We are working on dressing independence and would love if you would encourage your children to dress themselves!

Please empty your child's locker of art and colouring each day! They are so proud of their work!

## WE HAD FUN LEARNING... HIGHLIGHTS FROM OCTOBER!

What a busy month October was! We talked about being thankful and enjoyed our first Show & Tell!

We practiced tracing our name and using scissors. Our classes have been learning some fun Halloween songs and poems. We are looking forward to our costumes parties!

## WHAT'S COMING UP IN NOVEMBER?

Our theme for November is space! We have lots of fun crafts and interesting facts we will be discovering this month.

We will continue to have a theme/show and tell day every month so make sure to mark that on your calendars!
